

# EGG CARTON CAMELS

[More Crafts](#)

This is an easy way to make camels using egg cartons, a cork, crayons or markers, scissors, and pipe cleaners. Googly eyes are a nice touch.

1. Separate 2 cups from an egg carton.
2. Using the point of a scissors, an adult should make holes at the base of the cups for the 4 legs and holes at each end for the neck and tail. Make 1 small hole in the wide flat end of the cork.
3. Insert a pipe cleaner into each of the holes for legs and the tail.
4. Insert one end of a pipe cleaner into the cork; insert the other end into a hole at the end of the egg cups.
5. Add eyes, a mouth, and decorate.
